### KEY TO VEHICLE TYPES

Plug-In Hybrid  
Electric Vehicle (PHEV)

All Electric, or Battery  
Electric Vehicle (BEV)

To contact an EV specialist about program eligibility, call **833.443.8363**, email **ev@ene.org** or visit **2ndDrive-ev.ene.org**

**TMLP Drives Electric**

**MGED Drives Electric**

## ELECTRIC CAR CHARGING: AS EASY AS 1-2-3!

### LEVEL 1, "REGULAR" SPEED

A standard receptacle and the adapter included with the car - no special equipment required. Done typically overnight, at home.

### LEVEL 2, "PLUS" SPEED

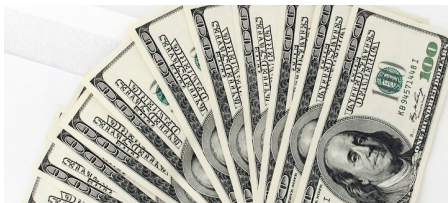

Plugs into a 240V outlet (like those used by a clothes dryer or an electric stove) May require additional equipment and minor installation work by an electrician. Done at home or in public.

Free Public Level 3 charging at Mastria Nissan in Raynham, MA!

### LEVEL 3, "PREMIUM" SPEED

Also known as public DC Fast Charging, Quick Charging or Supercharging. Adds up to 200 miles of range in 20 minutes! Done only at public stations.

## MONEY-SAVING INCENTIVES!

Get **up to \$3,500 back** through the Massachusetts Offers Rebates for Electric Vehicles (**MOR-EV**) Program!

Plus, get an additional **up to \$7,500 back** when buying or leasing an EV with the **Federal Tax Credit!**

## ANSWERS TO ALL YOUR EV QUESTIONS!

2nd Drive EV Support is a team of local, knowledgeable and friendly professionals who specialize in all things EV.

**FIND OUT: What affordable models are a best fit for me? How and where can I charge my EV? How much will I save on fuel and maintenance? And more!**

2nd Drive support connects you with our experts to answer questions about vehicles, charging, incentives and more. This service is a free benefit for TMLP & MGED customers.
